Retail Audience

Scandinavia's leading platform for connecting high-potential mining ventures with top-tier institutional investors, family offices, and industry leaders offers you the unique opportunity to elevate your brand, gain exclusive visibility, and showcase your expertise.

By securing a sponsorship package, you'll stand out as an industry leader and gain access to unparalleled networking opportunities, direct engagement with

decision-makers, and a powerful platform to communicate your vision.

Don't miss your chance to be in the spotlight—secure your sponsorship today and lead the conversation at Nordic Funds & Mines Summit.

# WHY PARTNER WITH NFM

- Direct access to institutional investors
- High concentration of CEOs and decision-makers
- Curated 1:1 meetings
- Stockholm as a global mining finance hub

# SPONSORSHIP PACKAGES

## Strategic Partner (€50k–100k)

- Main stage positioning (panel participation / moderating)
- Curated introductions to selected investors and companies
- Private roundtable or hosted dinner with senior participants
- Premium visibility throughout the event
- Thought leadership content (interviews & distribution)

## Industry Partner (€30k–50k)

- Speaking slot (main stage or panel)
- Strong on-site presence and access to meetings
- Visibility across key touchpoints
- Participation in curated networking formats

## Supporting Partner (€10k–20k)

- Delegate access and networking
- Brand visibility on-site and digitally
- Access to the broader attendee base

# MAIN STAGE

The main stage is where key industry themes and discussions take place, bringing together senior executives, investors and decision-makers.

# NETWORKING & MEETINGS

High-density networking and curated meetings are at the core of the event, enabling direct interaction between companies and capital.

# NETWORKING DINNER

An exclusive gathering bringing together senior executives, investors and partners in a more informal setting.

# A DIFFERENT KIND OF PARTNERSHIP

- Limited number of partners
- Focus on senior-level access
- Built around meetings, not passive exposure
- Designed for real interaction and deal flow
